Program	iii
Speakers Biographies	vi
Enzootic pneumonia in Bighorn Sheep Populations, a complex disease <i>Anette Rink, Animal Disease and Food Safety Laboratory, Nevada Department of Agriculture.....</i>	1
Microorganisms associated with a pneumonic epizootic in Rocky Mountain Bighorn Sheep <i>Karen M. Rudolph, Idaho Department of Fish and Game-</i>	2
<i>Mannheimia haemolytica</i> serotype 1 exhibits differential pathogenicity in bighorn sheep and domestic sheep <i>Subramaniam (Sri) Srikumaran, Washington State University.....</i>	3
<i>Mannheimia haemolytica</i> : Mucosal colonization and immunity in domestic ruminants and bighorn sheep <i>Robert Briggs, USDA/ARS/National Animal Disease Center, Ames, Iowa.....</i>	4
Compatibility of bighorn sheep and domestic sheep based on captive co-pasturing studies, experimental inoculations and laboratory studies <i>Bill Foreyt, Washington State University</i>	5
The involvement of <i>Mycoplasma ovipneumoniae</i> in pneumonia of free-ranging Rocky Mountain Bighorn Sheep <i>Tom Besser, Washington State University</i>	6
Worried to death? Empirical & anecdotal evidence (or lack thereof) that environmental stressors contribute to epidemics in wild sheep <i>Michael W. Miller, Colorado Division of Wildlife, Fort Collins, Colorado.....</i>	7
The epidemiology of respiratory disease in wild sheep: Can we simplify the "complex"? <i>Michael W. Miller, Colorado Division of Wildlife, Fort Collins, Colorado.....</i>	8
Dynamics of pneumonia in a bighorn sheep metapopulation <i>Frances Cassirer, Idaho Department of Fish and Game.....</i>	9
Health assessment of bighorn sheep (<i>Ovis canadensis</i>) in Idaho <i>Mark Drew, Idaho Department of Fish and Game and Idaho Department of Agriculture.....</i>	10
An ecological study comparing the distribution of <i>Pasteurella trehalosi</i> and <i>Mannheimia haemolytica</i> between Sierra Nevada bighorn sheep, White Mountain bighorn sheep and domestic sheep <i>Letizia Tomassini, University of California-Davis, presently Washington State University.....</i>	11
Herd health and habitat quality in relationship to <i>Pasteurella</i> spp. induced pneumonia in Rocky Mountain Bighorn Sheep <i>Rebecca K. Frey, USDA, APHIS, Bozeman, Montana.....</i>	12
Bighorn sheep in Idaho: History and management <i>Dale Towell, Idaho Department of Fish and Game</i>	13
Translocation of bighorn sheep (<i>Ovis canadensis</i>) in Idaho <i>Mark Drew, Idaho Department of Fish and Game and Idaho Department of Agriculture.....</i>	14
From the ground up – Bighorn sheep, public lands, domestic sheep and rural communities <i>Nancy E. East, Professor Emerita, University of California-Davis.....</i>	15

Wyoming's bighorn sheep/domestic sheep conflict resolution efforts
Jim Logan, Wyoming Assistant State Veterinarian, Wyoming Livestock Board..... 16

Rules and regulations regarding livestock management on public lands
Ron Kay, Idaho Department of Agriculture..... 18

Management of domestic sheep and domestic goats in wild sheep habitat
Kevin Hurley, Wyoming Game and Fish Department and Western Association of Fish and Wildlife Agencies 19

A brief history of the taxonomy of *Pasteurellaceae* implicated in sheep respiratory disease
Glen Weiser, University of Idaho Caine Veterinary Teaching Center (not presented)..... 20

A critical look at the sheep compatibility review
Cat Urbigit, Pinedale Wyoming (not presented) 23

Notes.....
